By examination of our treasury books soon after our last meeting we found that $275.91 had been paid in and $275.11 paid out leaving a balance in Treasury of 80 cts also that there was unpaid subscriptions amounting to $82.80 and claims against the Treasury $46.80

While the whole amount of unpaid subscriptions may not be realized soon, we think it is enough that is reliable to meet the claims against us and would request friends who have not paid to do so as soon as they can.
